

River Valley School of Transformation Attendance Covenant

We at School of Transformation believe in, and have experienced the synergy of “group”. We understand that each person carries something unique, and that when we come together, there is a greater release of the Spirit through all these different anointings coming into union. Throughout class, we form community with one another that accelerates the momentum of what we experience. To maintain community momentum, commitment is required. You bring a piece to class that only you can bring; it cannot be replaced by anyone else in the room.

Furthermore, the School of Transformation uses a cumulative curriculum in that the classes build upon each other. Many class sessions require the foundation of the previous classes for full understanding and application. Viewing all DVD material is a requirement.

However, we also understand that situations arise over 9 months that make attending class every week very difficult. We have aimed to tailor this school so that it is manageable for most individuals with families and other commitments, and as such, we understand that occasionally these other commitments come into conflict with our school time. For this reason, we have the course DVD’s available to check out from the Transformation Library. If you are unable to attend class more than 6 times over the course of the school year, you will not receive a certificate of completion for successfully completing the class at the end of the year, and will therefore not be able to be considered for application for the subsequent year.*

Additionally, part of the mission of this school is raising up leaders who walk in honor. As such, we ask that you be diligent in timeliness and check in, be in your seat, and ready for class by 4:00 p.m. You are encouraged to come early for fellowship or prayer before class starts. If you have not checked in before 4:00 p.m. you will be counted as tardy. Three tardies will be equal to one full absence.

There will be 5-6 sessions in one workbook. On the last Sunday of each session, we will begin class early at 2:00 p.m. for viewing of Bible teaching. These are a required component of the curriculum and must be completed; however, they do not count towards the same attendance policy. If you are unable to attend these early sessions, please check out the DVD from the Transformation Library. If these DVD’s become difficult to obtain, you may work out a reading and homework option from the workbook with leadership.

In light of the above, I, _____, choose to manage myself and my circumstances in a way to honor my commitment to the school and fellow students. I understand that I am required to view all DVD material and agree to check out, watch, and return all missed DVD’s from the Transformation Library.

(These DVD’s may only be checked out in 1 week intervals.)
