Our past history has involved starting several Bible schools in the US and Eastern Europe. So, when a School of Transformation started in our area, we had a strong relationship with the directors and felt we would go for a while **to support them. We didn't expect what happened!** We were drawn like a magnet to the whole school experience: the teachings, the culture that developed, the miracles, and our challenge to allow God to be BIGGER were amazing! We discovered that you can never out-learn the anointing! Awesome! Now it is three **years later, and we can't wait to share it with YOU!**

Testimonies from other students:

**“The reason I drive 90 miles each week each way is because of the culture of empowerment that is here. I'm not just being given a fish to eat, but I'm being empowered. Now I am feeding the hungry in my path in my day to day life, changing the world!”**

**“The culture here is where you're completely immersed in love and grace. It is a safe environment.”**

## TRANSFORMATION

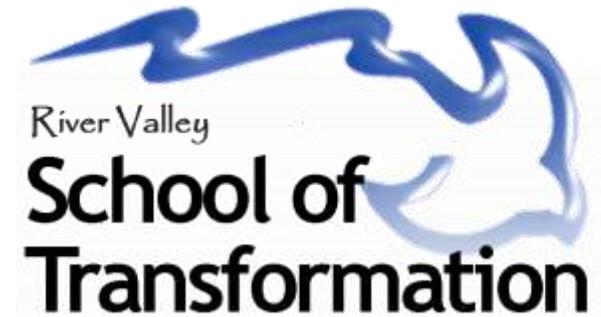

But we all with unveiled face, beholding as in a mirror the glory of the Lord, are being transformed into the same image from glory to glory, just as by the Spirit of the Lord. —II Corinthians 3:18

Most assuredly, I say to you, he who believes in ME, the works that I do, he will do also, and greater works than these he will do, because I go to the Father.  
—John 14:13

# School of Transformation

River Valley School of Transformation features DVD curriculum from Bethel School of Supernatural Ministry (Redding, CA). This is a school grounded in honor with strong Biblical foundations that provides a safe place for activation and application of the **messages in the students' lives**. Ultimately, it takes the things of God and helps turn them into a lifestyle to be lived, instead of a mere theology to be learned.

The DVD curriculum focuses on developing a culture of revival and a lifestyle of the supernatural through teaching on our identity in Christ, how to walk in signs and wonders and Bible study. There is also a strong emphasis on healing, developing a prophetic culture, and demonstrating the gospel with power.

It is our desire to see our students activated into new levels of faith, love, and passion for our Lord Jesus and fulfill the desire of a loving Heavenly Father for renewed fellowship with His children! We want to see the Kingdom of Heaven demonstrated by them on earth!

## VISION

By Pastor Jon Neitzell  
*Senior Pastor, RVCC*

The Body of Christ needs to be built up in every area of their lives. Their daily walk with God, their love walk with each other, the integrity of their character, but also as importantly, their expectation that God wants His power to flow through each of them to the world around them for His glory.

This curriculum will build a culture **of expectation for God's manifested** power infused with the discipline of an individual submitted to the Lordship of Jesus Christ.

Ephesians 4:12 to equip the saints for the work of ministry, for building up the Body of Christ.

I encourage you to be a part of this wonderful new course offering here at RVCC.
