Our kids in Ukraine and Poland — God's Deliverance

Poland — over a million and a half refugees from the war have fled to Poland so far. **Pastor Pavel's Nations Church** is picking up a great response to the ones coming to Wroclaw. For three years the church has had an outreach to immigrants from Russian speaking countries, and they developed a team and program to provide assistance to re-locate: apartments, jobs, documents, food, and, just as important, counsel and spiritual oversight for those who want it. This is one reason the refugees are coming here.

Now this has increased exponentially. We want to help. Please listen to the attached video of Pavel's report of what they have going on now.

It is exciting to remember in the midst of sorrow, hardship, and shakings that we are The Chosen of the Lord, and He loves long-term relationships, and we see that He had pieces to put into this puzzle from long ago — 30 years in June!! We rejoice over how all our steps are ordered of the Lord.

The increase in church attendance at Nations Church went up in one week from 150 to 300! People are **HUNGRY**, and God wants them to meet Him in this time as never before. We declare **REVIVAL, REFORMATION, INTIMACY IN CHRIST JESUS!** We were **ALL** born for such a time as this!

Our home church, Abundant Life in River Falls, WI, which has so greatly impacted this ministry has set up a special account whereby people can give to the **Help Me Wroclaw** program that Pastor Pavel—Nations Church is doing. They sincerely need help to provide all these needs that are ever-increasing. Will you pray about what you might do? See giving instructions at the end of this Newsflash.

Pastor Pavel and Irina with volunteers. Nations Church building where they are collecting relief materials for Ukraine refugees.

So many volunteers giving what they can and helping with preparations, sorting and distribution. More hands and funds will be needed.

Other pieces of the puzzle:

Sasha and Natasha and family — GodSeekers team from Kyiv. They had to move; their neighborhood near the city began being shelled and shaken. Here they tell part of their story:

“We came to our senses a little, rested. We appreciate that we can sleep on beds, that we don't hear explosions every 10 minutes, that helicopters don't fly overhead. Thank you for your prayers, we have moved to a safer place. We drove for 14 hours. Passed 30 checkpoints, it's like 30 borders. There were many miracles, God led Sasha and directed him on the paths where it was safe to go, he rode and prayed constantly. We were supposed to go through Vinnitsa, but Sasha felt like going around this place and then we read that at that time Russia launched 8 missiles there. We also ran out of gas, there were few gas stations, and at each gas station they gave out 20 liters and people stood for 7-8 hours, there were huge queues of cars. And the miracle is that our friend, like an angel in the middle of our journey, came to meet us with cans of gasoline and filled us with a full tank. Hallelujah!!! When we drove up and we still had 30 minutes to our village, the curfew came, and it was impossible to

drive or walk. And it was a miracle that the military at the checkpoint allowed us to go and escorted our two cars home. Thank God!!! Now we are here to equip the house, we have found sleeping places for everyone, we only sleep the three of us on the bed with Emilechka. Now we are thinking about how to send the girls from our team to Estonia, because they are very afraid and Sasha feels a responsibility to their parents to send them to a safe place. Love you. We believe in the victory of God in Ukraine. Thank you for your prayers, faith, for your battle in the spiritual world for us and with us.”

They did get the girls to the Romanian border and now are in a house that was given to them to use by Canadians while they seek God for another step, or if they stay in Ukraine. The main base for God Seekers Movement is in Estonia where they are helping people to re-settle.

Sasha and Natasha,
their three children .

If you want to give to Sasha and Natasha, see instructions below.

A note about **Belarus** — also our beloved! We have been in touch with Natasha’s brother Andrei, and with the pastors of Abundant Life Church, Minsk. Things are very grim there, and seeing their young men sent into the war and the heartaches of fighting relatives and other Slavic people is so hard; plus the sanctions will hurt, as well. We are able to get money to them a couple of different ways if you want to designate that when making a contribution to Ram’s Horn.

Let us believe God for signs, wonders, miracles, breakthroughs, healings of all kinds, and the war to cease in Ukraine and it be able to find its rightful place. Prayers for our own country and all that transpires here has us leaning into that constantly. We send blessings and protection to each of you.

Please feel free to share this information with others, so that they may sow into the refugee work in a place that has tremendous spiritual impact and kindness.

We continue to serve here in Camelot Lakes and in our church here where we are helping to facilitate table groups following a teaching on Ephesians. It is designed to see our identity in Christ in greater measure and be filled with His Spirit, so it flows from us to the world. For us, it is another example of Kingdom Culture that we want to cultivate more deeply. If you want to give to Ram’s Horn — our needs continue, as well.

We so value your prayers and continued support!

Roger and Myrna

**LORD JESUS, OUR EYES ARE ON YOU! WE CANNOT LIVE WITHOUT YOU;
WITHOUT RELATIONSHIP TO THE FATHER THAT YOU GIVE US AND WITHOUT YOU,
HOLY SPIRIT TO COMFORT, COUNSEL, AND GUIDE EACH OF US! WE LONG FOR
THE GREATER INTIMACY IN THESE PERILOUS TIMES.**
