**Eph 5:20 always giving thanks to God the Father for everything,
in the name of our Lord Jesus Christ.**

We want this newsletter to be a reflection of all the blessings — that we count one by one — that God has and is giving. Our cup overflows! The many relationships that we have cultivated, been given, care for in our lives has brought such sustaining joy! When we turned our lives over to the Lord in our teens, God enriched us more than we can believe! We were just going over some of them this morning — family, friends, congregants, students, fellow partners in ministry, some far away, but still ours!! We cannot begin to count them! Our thanks to God **first** — and to each of you who fit that role!!! This newsletter is our bi-annual review of our life and ministries that are Ram's Horn Ministry family!

Sarasota News

Since our return from Poland in May, we have been asked to be on Fellowship of Believers Church leadership advisory group. We have a great team of younger leaders, and we are delighted to serve as needed. We are on greeters' team; participate in prayer Wednesday nights, sometimes lead; participate in a morning group that has prayed for the Sarasota-Manatee County area and Florida for 30 years. What a

group of intercessors! **We are seeing a powerful manifestation of the Presence of God** in Sunday services and in once a month 24 hour prayer. One of our "sweet" things is having been asked by some younger folks to be involved in their lives; some even come weekly to our house individually for fel-

lowship, prayer ... and food! And for Thanksgiving when we could not be with family, we invited others to come be with us. Great fun — and all brought food — even gifts.

Probably taking up as much of our time is the communication that we have with our overseas ministries by Facebook, Messenger, WhatsApp, usually by video. This includes the ministries we will feature in this letter and also many others that Myrna is in contact from previous associations in ministry. Every day but Sunday, our day starts with our individual devotions

and then we go to prayer — with day-by-day lists of people and Scripture declarations and decrees over our family (first on the list as we pray for different members of family each day), then our nation and others as God leads. Takes a while, but we love it!! We also keep visiting neighbors with the boxes of flowers. One precious one was to a new next door neighbor. Discovered that that **very day** a year before, the husband's daughter had committed suicide. With tears, and hugs, got to pray for them. **God, you are so good; so personal.** Doors keep opening!

Poland Ministries

We are working on plans for a **missions trip to Poland** in late spring or early summer. We believe the Lord is raising up a team to do **evangelism in Gdansk and Jelenia Gora** with two new churches that God spoke to us last spring to come back and help.

Revelation church just opened in Gdansk. It is **pastored by Nikolay and Julia** who are Ukrainian youth pastor refugees, but God has led them there after spending the last year assisting in CFN Bible school and living there with their team. It is a giant step of faith!!! Gdansk is expensive, little hard ground for the Gospel — but God!

Kola & Julia in Old Town
Prayer at recent service

Here is a clip from a recent Sunday service:

We had a wonderful service this past Sunday! We prayed for **HEALING & RELEASE** because we believe that's what God can & wants to give to all of His children! And the Holy Spirit has come upon us once again! People received revelations concerning their lives, physical and spiritual healings. And we believe that this is only a small part of what happened in the spiritual world ❤️🔥

Pastor Denis and Veronika work with addicts, run a coffee shop in Jelenia Gora and are establishing an outreach of Nations Church in Wroclaw. We will work with Pastors Pavel and Irina in this and their team and will be overnight in Wroclaw.

a week. The creation of this movement was the initiative of the Anosov family.

Pavel Anosov, pastor of Nations Church, moved with his family to Poland from Belarus over 7 years ago with a missionary vision to serve many nations in Europe.

We are thrilled with the growth and how God is blessing and using this body! Almost all are immigrants to Poland. Praise God that they are allowed this freedom!

Godseekers Ukraine

Sasha and Natasha Chuvirovi, our kids from early days. They have lived in Ukraine 16 years now – have citizenship in this last year. Their news:

A small news update. A huge thank you for your prayers, financial support and concern. We continue our service in Ukraine. The situation is still tense, they are being fired with mortars and rockets. When there is shelling, most often at night, Sasha gets up to pray, and he monitors on a special chat where the rockets are flying and wakes us up if there is a threat, and we go to a safe place. We need your prayers. We started a **three-month Bible school online through zoom, which is attended by about 400 people.** About 70 people are on-line every lesson; the others, who can't connect are watching the recordings. Among them are many new Christians, some of them received Jesus through the Internet, through our social networks. They have so many questions... Every week we hold a church service and a home group; we cooperate with other churches in Ukraine. We are engaged in media service; we serve young people in social networks.

Everything is fine at home. Building relationships with our grown-up children. We see how God works with their hearts. Please pray for their future, for their spiritual growth.

Pastor Pavel and Irina Anosov and their precious family shared this about their ministry:

Nations Church is a large family that currently consists of 150 members and a weekly attendance of about 250 people on Sunday service. Our church right now has over 11 home groups and 10 ministries. Our ministries are: order ministry, worship team, media team, cafe team, translation team, holiday organization team, children's ministry team, building committee team, youth ministry team. Each team strives to perform its ministry in the best possible way for God's Kingdom.

Recent baptism and praise and worship team.

Last but not least ministry is the creation of a crisis center to help refugees. The center has continued its work since the beginning of the war in Ukraine. We support 200 families who have the opportunity to take a bag of food and clothing once

Minsk, Belarus

We are sure your hearts will be kindled to pray for all of these. **Please also include our church, ALC in Minsk.** The stress is great, but they press on! This week the pastors shared with us that they are outgrowing their facility!!! We are asked to pray that they will find another place where they do not have to set up each week, and their dream is to build their own building! **Pastor Dennis and Lena** are doing great! They also are administrators of a Bible college that this year has 26 students! **Isn't it amazing** what a press can do to cause hearts to truly seek God!! We do not have pictures from there. But many of our beloved are part of this body, and our dear **Luda Trikoza** went to be with the Lord about 3 months ago, and **Ernst** shared his heart in church that they videoed and sent to us — **he is on FIRE for God!!**

We do not have current news from **Andrei and Julia from Bmecte** ministry — he is Natasha's brother still living in Minsk. Their church was bulldozed by the government and pastor arrested. Since he is in leadership, and also has own ministry and teaches in Dennis' Bible school, their lives are uncertain, and **they ask for prayer!!!!**

Personal Highlights and Thanks!

Roger turned 85 on September 5, and we celebrated it along with our **65th anniversary** on the 6th by going to a beach resort in St. Petersburg, FL. We found our way by bus and Uber! **We are so grateful to God for the long, prosperous, happy life together! Our own kids are our pride and joy** as we see how they are developing legacies within their own families.

What a delight to see them being grandparents, and we get to see our grandkids with their darling babies! We spent two weeks in MN and WI and a short weekend trip after our 9th gr grand was born!!

So awesome to hear and see the laughing, running, painting

pumpkins, s'mores, lakeside! Daughter Kris plans to come down soon! So blessed!!

Newest great grand with momma and Roger, so many good times of fun activities with family. Our hearts are full.

Myrna turns 85 December 5 — will see what Roger may plan!! (HA!) But she enjoyed speaking for the ladies' meeting at church in November and is happy being with people! She was blessed to be the head intercessor and team for Kristen D'Arpa Cushing when they went to Turkey a month ago **to conduct Kingdom Culture School of Ministry training for 30 students** we had last year that are from a Mid-East persecuted country. Now **30 schools** have just started in 3 countries!!! **Praise God for their courage, boldness and love!!! Continued prayer is vital!**

Thanks for your time and love and contributions —

e simply cannot do what we do, and have vision, without partners who pray, give, sacrifice.

The fruit you read about is YOURS! We pray that God may touch your hearts again and **keep YOU in all your ways! Please pray!**

Jesus, send Your justice around the world and reveal Your glory!

Haggai 2:7 and I will shake all nations, and they shall come to the Desire of All Nations,
and I will fill this temple with glory,' says the LORD of hosts.

Habakkuk 2:14 For the earth will be filled with the knowledge of the glory of the LORD, as
the waters cover the sea.

We must remain steadfast, joyful, trusting in the Lord and occupy till He comes!

Acts 3:21 For he must remain in heaven until the time for the final restoration of all things,
as God promised long ago through his holy prophets.
