

River Valley School of Transformation Covenant of Financial Responsibility

We value honor as foundational in the School of Transformation and choose to make this a cornerstone of how we function. As such, we ask that you make all diligence in paying your tuition on time. This allows the school to also purchase materials in a timely manner, saving on time and shipping costs.

In light of the above, I, _____, choose to handle all my finances with integrity, so that I am able to pay my school tuition in full or as outlined below.

- \$480 for individual with one workbook \$ 80 on payment plan
- \$648 for couple with one workbook \$108 on payment plan
- \$786 for couple with two workbooks \$131 on payment plan

Tuition may be paid in 6 equal installments starting August 31, 2014*
(10 % discount if paid in full by August 31, 2014)

I understand that all of my tuition must be paid on or before the dates indicated. If for any reason unforeseen changes to my financial status or hardships arise, I will discuss this situation with leadership to agree upon a written plan to bring my tuition current. I am aware that this modified agreement will include an additional 15% late fee.
